Passports/EU Health Cards

All must have current passports (not just about to expire ...) and EU Health Cards. Girls will have theirs looked after securely during the Tour and returned when needed. See www.ehic.org.uk for ordering your EU Health Card.

Supporters/Audience

Families are welcome to come and support the choir by attending the Services or Concerts, but I do ask that you respect the fact that the girls are there as part of the choir group - therefore please do not expect to join us in the hotel or on excursions. Your co-operation in this is very much appreciated.

Girls' Supervision

The girls will be supervised in groups at all times by the chaperones and organists. They will each have a name-card to carry at all times with emergency contact info and hotel details.

Costs/Money

All costs associated with the tour are covered by the Worcester Cathedral Choir Association's fundraising. However, some pocket money will be required (Euros and Pounds) for snacks or souvenir spending.
