COMMUNITY NOTICES

Survey from a Chorister!

Members of the congregation are invited to assist one of our girl choristers, Annabelle Kenny, by completing a survey she has designed about the significance of music in the cathedral's worship. The results of the survey, which will take only a few minutes to complete online, will be used in her extended writing project (EPQ), forming part of Annabelle's A-level studies at the King's School. The survey can be accessed at the following link:

Worcester Cathedral Safeguarding Audit 2024

The Church of England has commissioned the INEQE Safeguarding Group to conduct independent safeguarding audits across various dioceses, including our Cathedral. The goal is to assess the effectiveness of safeguarding practices and identify areas for improvement, ensuring the safety and well-being of everyone within the Cathedral community. INEQE aims to gather insights from a diverse range of individuals associated with the cathedral, including worshippers, visitors, staff, and volunteers.

The online survey allows participants to share their impressions and experiences related to safeguarding. Responses are anonymous (individuals will not be identified) and confidential (not accessible by the Church of England or any other entity). While the audit itself will take place from 1 July, the surveys are already open. Participants can provide feedback openly and honestly until 11.30pm on Wednesday 1 May 2024. We are committed to ensuring a safe and respectful environment for all, and your input will contribute to enhancing safeguarding practices.

Thank you for your dedication to safeguarding within our Cathedral community! To access the surveys please visit <https://ineqe.com/churchofengland/worcester>. And please encourage others to do so too.

Worship in the Garden and Sacred Garden

'Worship in the Garden – meeting with God in creation' will take place not inside the cathedral, but instead, we will be outside, come rain or shine. The vision is to develop a service that focuses on worship of the Creator in creation, with creation, and aware of ourselves as a part of creation. We will meet at 3pm on the first Sunday of each month, with the next meeting on 5 May.

'Sacred Garden: engaging with God in creation through creativity' is for people who feel God's presence when they're out in nature. Our goal is to

create and cultivate a time and space in which people can engage with the Creator in creation through using their creativity. There will be opportunities for some art, some gardening, some kinaesthetic activity, and some contemplative prayer.

We will meet from 10am to 12pm on the third Saturday of each month, with the next meeting on 18 May.

The meeting place is in the garden behind 15b College Green (entering through the doorway outside the Edgar Tower Gate).

If you want to know more or are interested in coming along, please email Revd Dr Robin Parry on revdrobin@gmail.com
