

Design a Christmas Tree Bauble Competition

The Christmas Trees will be at Worcester this year, and we'd love for one tree to show off the talents and experience of younger visitors to the Cathedral. Your Challenge is to design a bauble to hang on the tree. The chosen designs will be selected and added to a tree put up by the Education Team. The best design as chosen by our judges will be made into an actual bauble. Your design could be connected to something you learnt about on a visit to the Cathedral, something else you know that is connected to the Cathedral or something to do with the Christmas story. Just create a front and back below and then send it to the Cathedral by the **1st December**.
